To Whom It May Concern:

I am the owner of Stello Construction Inc., a building and remodeling company in Chatham. I have lived on the Cape for my entire life and have been in the Building business for twenty-five years. My business consists of renovations, additions and new homes. I often find existing construction sites that need drainage and repair work as well as new homes needing landscape design.

In the last five years I have had the pleasure of working with the McNamara Bros. Inc. They have been courteous and responsive regarding my business needs. Their prompt response and knowledge has been a tremendous asset to my business and customers. They are considerate to the home owner's needs and costs.

My entire staff and clientele are extremely satisfied in all aspects of effort, compatibility and finish results. The quality and follow thru has been a life saver for me on numerous jobs. I highly recommend this company because the integrity is pronounced in the everyday business practice.

Sincerely,

A handwritten signature in cursive script that reads "Robert K. Stello".
